Additional supporters are being sought for unrestricted educational grants.

# INTRODUCTION

This program has been designed to benefit urologists, trainees, and other health care professionals involved in the diagnosis and management of urology diseases and issues. It is particularly suited for those preparing for board (re)certification exams. Its goal is to enhance understanding of the evolving concepts in the current and future treatment strategies of this specialty.

## OBJECTIVES

At the conclusion of this symposium, the participant should be able to:

- Diagnose and manage androgen deficiency using currently available therapies
- Compare the benefits of alternatives to radical prostatectomy, including cryotherapy, brachytherapy, robotic surgery, high intensity focused ultrasound, and targeted therapy
- Assess current treatment strategies for the management of bladder cancer
- Apply contemporary approaches to managing renal stone disease
- Use the latest data available to diagnose, manage, and treat penile/urethral cancer, overactive bladder, benign prostatic hyperplasia, erectile dysfunction, prostatitis, Peyronie's Disease, and incontinence
- Describe recent advances and what lies ahead in treatment therapies for prostate cancer
- Apply current approaches to managing urological trauma
- Practice the latest advances in managing male infertility
- Evaluate the extent and various treatment options for urethral strictures

## CONTINUING EDUCATION CREDIT

US Micron, LLC is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

US Micron designates this educational activity for a maximum of 15.75 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

## TUITION

Tuition rates are determined according to the following registration schedule:

Discounted (pre-registered by October 9)	\$275
Regular (pre-registered after October 9)	\$375
On-site (registered November 9 and after)	\$400

Group Registration: Multiple physicians from the same institution or practice receive a \$50 discount (each) off the published registration fees, provided that all registration forms and fees are received on the same date and prior to October 9.

## CANCELLATION

This tuition covers all scientific sessions, course materials, and hosted meals, and includes a certificate of credit. If your registration must be cancelled and your request is received in writing on or before Monday, October 9, 2006, your paid tuition, less a \$50 administrative fee, will be refunded. No refunds will be granted after Monday, October 9, 2006.

Resting in the shadow of Camelback Mountain, the award-winning Scottsdale Plaza is set on 40 beautifully landscaped acres. A Spanish Mediterranean theme is carried out in the exterior design of soft-beige stucco, mission-tile roofs, striking porte au cochere, high archways, stone-carved fountains, and mature, lush landscaping. Amenities include 5 sparkling pools, 3 whirlpool spas, 5 tennis courts, 2 air-conditioned racquetball courts, putting green, access to nearby championship golf courses, health club, beauty salon, manicured courtyards, 3 restaurants, 2 poolside cafes, 3 lounges, room service, and live entertainment.

A block of rooms has been reserved at The Scottsdale Plaza for the nights of Thursday, November 9, through Saturday, November 11, at a discounted rate of \$170 per night, single or double occupancy, plus applicable taxes. There is a Resort Amenities Fee of \$10.00 charged to each room each day. This fee includes newspaper delivery to the room Monday through Friday, in-room coffee, local phone calls, 800 access calls, incoming faxes, and access to the exercise room. Bellman gratuities of \$4.00 per person, each way, and maid gratuity of \$2.00 per room night will be charged, as well.

To make your hotel reservations, please contact The Scottsdale Plaza at 800-832-2025 or 480-948-5000 and request the Reservation Department. To receive your discounted rate, please reference the group code *"Perspectives in Urology."* A credit card must be provided for the first night's deposit to confirm your room. The room deposit is refundable if cancelled 72 hours before the group arrival date of November 9, 2006. A limited number of rooms is available for this group and reservations will be accepted on a first-come, first-served basis. Reservations made after October 9, 2006, will be subject to availability and prevailing room rates.

To make your arrangements for activities, please contact the Concierge Desk at The Scottsdale Plaza, 480-948-5000.

## TESTIMONIAL

*"This was a very well-run conference in a beautiful hotel. Everyone was friendly and I absolutely loved the panel discussions, debates and short-and-sweet presentations. This give-and-take approach by distinguished researchers and academic urologists has helped me formulate my own practice decisions for the past 15 years."* —P.A.S., MD
